# SMALL GROUP DISCUSSION QUESTIONS

*For the week of April 13, 2025*

## OPENING DISCUSSION \_\_\_\_\_

1. What's the most memorable act of obedience or sacrifice you've ever witnessed in someone else?
2. When you think of Jesus, do you picture Him more as a servant, a Savior, or a King? Why?
3. Have you ever had a moment where you obeyed even though it didn't make sense at the time—but later realized God used it?

## BIBLICAL REFLECTION \_\_\_\_\_

1. Read **Mark 10:35-45**. How do James' and John's request contrast with Jesus' view of leadership and servanthood?

What does it reveal about our natural human desire for position, power, or recognition?

2. Why do we struggle so much with obedience? According to **Philippians 2:5-11**, how does Paul describe Jesus' obedience?

What do you notice about the relationship between obedience, humility, and glory in this passage?

3. **Hebrews 5:8** says Jesus "learned obedience through what He suffered." What do you think it means that Jesus learned obedience, and what part of that stands out most to you?

4. In light of **Hebrews 5:8-9**, how might suffering shape your own journey of obedience and spiritual maturity?
  
5. How does knowing that Jesus' obedience led to salvation for others challenge or inspire your view of hardship in your faith walk?

## PERSONAL APPLICATION \_\_\_\_\_

1. In what area of your life is God calling you to deeper obedience right now?
  
2. Where are you tempted to choose comfort over obedience?
  
3. What's one specific way you can serve someone this week like Jesus served you?

## PRAYER REQUESTS \_\_\_\_\_
